

get rewarded for the work you do

Builders Club is like a frequent flyer program for home builders and remodelers. We bring together a select group of top home building suppliers (Sponsors) to form an industry-wide rewards program. Builders and Remodelers (Members) earn Club Points for purchasing from Sponsors at the same great prices and paying them within their terms. The more Sponsors you use, the faster your Club Points accumulate, and they never expire!

It's easy to redeem your Club Points for a variety of travel options or quality merchandise. You can call us, fax us, or go online to www.buildersclub.com. At our web site, you can review your account, find new Suppliers who will reward you with even more Club Points, check out the latest local builder news and photos, and shop for exciting merchandise and travel rewards.

Builder Testimonials

"I went on my first trip with Builders Club, to Argentina. It far surpassed any and all expectations I had... it was truly the most wonderful thing I have ever experienced. From the planning to the organization - every detail was taken care of - including my luggage. I never had to worry or plan a thing. I have never enjoyed a group of people more than I did on the trip. Everything was fantastic.

- Don Nelson - American Classic Homes, Stillwater, Minnesota

"You are all amazing!! These events are so detailed and everything goes off without a 'hitch.' I admire how you do this year after year and make it look so easy and effortless - always smiling and ready to help. AMAZING!! We cannot say Thank You enough for the beautiful trip. It was perfect - the hotel, the weather, the parties and the staff. Thank you for your extreme kindness and generosity."

- Bob and Mary Michels
